

PITTSBURGH PIPE

SINCE 1977

BOLLARDS

No matter what type of project you have in mind, Pittsburgh Pipe has the bollards you need.

Pittsburgh Pipe has all of the high-quality piping and support services you'd expect from an industry leader. When it comes to bollards, we have all the supplies you need to get your project off the ground the right way. Bollards protect your property and equipment installations in your facility. They reinforce some of the more sensitive areas of the facility and ensure you're protected against property damage or intrusion. Underground electrical lines or fiber-optic cables are marked at the surface with bollards for convenience and safety. When it comes to skills and services, Pittsburgh Pipe is unmatched.

Features/Services:

- 6- to 16-Inch Diameter
- 1/4- to 5/8-Inch Wall Thickness
- Custom Lengths to Meet Your Requirements
- Primed, Painted, or Galvanized Surface Treatments
- Stainless Steel for Ornamental Bollards
- Custom Diameters & Wall Thicknesses

We also offer:

- Custom-Printed Bollard Covers
- Padded "Bumper" Bollard Covers
- Neoprene Bollard Covers in Numerous Colors
- Lifting Eyes for Temporary or Retractable Bollards

About Pittsburgh Pipe

Since 1977, Pittsburgh Pipe has been America's supplier of pipes and construction materials for a wide range of industries. Our reputation for rigid quality standards, exceptional customer service, and industry knowledge has taken off with contractors across the country.

THE RIGHT PIPE. RIGHT ON TIME.
