

PVC CONDUIT, UTILITY DUCT & ACCESSORIES

When your project calls for Quality PVC...

Pittsburgh Pipe offers a complete line of rigid PVC conduit, fittings, and PVC utility duct. Commercial, industrial, and utility contractors rely on Pittsburgh Pipe to provide PVC conduit and duct that is proven to be durable and effective for years of maintenance-free performance in underground, encased, and exposed applications, all in accordance with national standards and codes.

- **PVC Conduit & Duct**

We provide corrosion resistant, non-magnetic/non-galvanic, self-extinguishing, and impact resistant schedule 40 and schedule 80 PVC conduit and utility ducts that are third-party certified to UL-651.

- **Split PVC**

For enclosing fiber optics and cables, installing conduit around existing cable, or repairing sections of damaged conduit. This product is an innovative and efficient method of repairing all types of damaged conduit without interruption of service.

- **PVC Accessories & Fittings**

Pittsburgh Pipe will supply any type of couplings, adaptors, standard or special radius elbows, duct spacers, access fittings, cover plates, box covers, or any other accessory your project may require.

About Pittsburgh Pipe

Since 1977, Pittsburgh Pipe has been America's supplier of pipes and construction materials for a wide range of industries. Our reputation for rigid quality standards, exceptional customer service, and industry knowledge has taken off with contractors across the country.

THE RIGHT PIPE. RIGHT ON TIME.
