

CASE STUDY:

# Enhancing Water Treatment Infrastructure With MSD Project Clear

## COMMITTED TO PUBLIC SAFETY

Water quality issues raise public and environmental health concerns. **Expanding the Lower Meramec Wastewater Treatment Facility is part of MSD Project Clear's commitment to enhancing the Meramec River's water quality.** With over \$117 million invested, the project aims to eliminate the Fenton Wastewater Treatment Facility and mitigate challenges faced by the community in achieving safer and better water.

## OFF TO THE RIGHT START

Pittsburgh Pipe was proud to be selected by Plocher Construction as the supplier of nearly 80,000 feet of 18" x .500" wall pipe piles for this important local infrastructure project. With limited space available on the jobsite to store materials, **Pittsburgh Pipe needed to develop a perfectly timed and well-coordinated delivery schedule to help Plocher in getting the ground stabilization phase of this important project off to the right start!**

## PROJECT TIMELINE

Being involved in this first stage of the project, Pittsburgh Pipe was happy to help Plocher get the job started pursuant to MSD's timeline:

- ✓ **Project Design Completion** – December 2021
- ✓ **Estimated Contractor Selection** – March 2022
- ✓ **Estimated Construction Start** – June 2022
- ✓ **Estimated Construction Completion** – Spring 2025

# PITTSBURGH PIPE

SINCE 1977

## THE RIGHT PIPE, RIGHT ON TIME

Since 1977, Pittsburgh Pipe has been America's supplier of pipes for a wide variety of industries. We fully and actively support MSD Project Clear's commitment to public safety, transparency, and community engagement.

“ *Our company does a lot of drilled shaft work every year. We know of several suppliers for large diameter pipe casing, but, for us, **Pittsburgh Pipe is the only choice.** If we need cutting teeth, turning slots, or any other features, **they're where we need them to be and done right.*** ”

– M.L. RUBERTON  
CONSTRUCTION CO., INC.

## STRIVE FOR A HEALTHIER AND MORE SUSTAINABLE ENVIRONMENT.

Join forces with Pittsburgh Pipe—the partner you can depend on.
